Welcome!

Welcome to the HCA!
Welcome to the Hopkinton Center for the Arts! We hope that you will consider spending your Winter with us. We have a great line-up of classes that appeal to a variety of students of all ages in multiple art disciplines. Our talented instructors are here to guide students of all levels. At the HCA we want every student to succeed.

HCA History
The HCA has come a long way since its beginning. The farmhouse and barn were built in the 1850s as part of a family farmstead. In 1997 the Cultural Arts Alliance (CAA) leased the farmhouse as a visual arts center. In 2010 Enter Stage Left Theater (ESL) joined CAA and moved into the farmhouse. A year later the Hopkinton Center for the Arts absorbed the CAA and became an official nonprofit. With the help of the Hopkinton Community Endowment, a successful capital campaign was launched and in 2015, the new HCA arts center opened.

Today the HCA serves more than 100 communities, by providing over 200 classes annually to thousands of students. No student is ever turned away due to financial need, thanks in part to the Sandra Delbridge Scholarship Fund. If you would like to join a class but are unable due to financial hardships, please fill out our scholarship form online at www.hopartscenter.org/scholarship-form.

We want everyone to feel welcome at the HCA, whether you are taking in a show by Enter Stage Left, our resident theater company, or you are enjoying an art exhibit opening, or trying a new class. Please feel free to reach out to us at any time.

Everyone has a front-row seat to the arts at the HCA!

Sincerely,

Kelly Grill and Kris Waldman
HCA Co-Directors
